Annual Family Portrait: Usually we take our family photo in November at Thanksgiving however this year the Pines went to Oregon to spend Thanksgiving with Dave, Stacey, Ashley, and Arya. So we did a Christmas family portrait instead. With very mild December weather, we were able to do our photo shoot outdoors!

Christmastime: This year Robert and I hosted Christmas. Robert prepared enough ham & goodies for 14 of us. Having Rylan, Aubrey, Sierra, and Briana to pass out presents was wonderful.

Piano Bliss

Rylan, Aubrey, and Sierra now have an actual piano in their house! The kids have taken piano lessons and now can play to their hearts' delight!

New Furniture!

Back in early November we ordered two new recliners to replace our large and very broken-down 12-year-old sofa. We were delighted they arrived just in time for Christmas Day. Photo at right was taken the day they were delivered. It didn't take long for the dogs to enjoy how nice they are. Us too!

Drawing Line-Up

December/early January found me busy drawing. The two dogs shown here were two of three commissioned drawings done as Christmas gifts. The middle one was a special drawing for a dog club member who just lost her 8-year-old Boston Terrier.
