Happy New Year! Warmest wishes for a wonderful year ahead!

In The Ribbons

Brooklyn and I had a great ending to 2025 and a great beginning to 2026. By the end of 2025, Brooklyn, along with Morgan, Dakota, and I, achieved our team goal! The two routines we submitted in November both qualified with a score of 155 each earning us a **Dogs Can Dance® Championship!** And we will be receiving a trophy for this achievement. Then, on January 10th, Brooklyn and I earned our second leg of three toward our Barn Hunt Senior Title and were awarded a First Place ribbon and a High in Class ribbon.

Retirement: Loving it! I am enjoying putting around the house, completing back burner projects, reading more, walking more, getting back into drawing, tackling genealogy, catching up on my book of life, and now tutoring.

Kai recently celebrated his fourth birthday with Murray, his best furry friend.

Murray is being trained by Sierra and family to be a guide dog for the blind.
