

We Have Puppies

Atlas

Asher

Christmastime

Woof Woof When eight puppies ((born November 24th) came up for fostering through NorCal GSP Rescue (two each going to four different foster homes) we jumped on board to foster two of them. Two boys, Atlas and Asher, arrived on January 19th. Between lots of snuggling with them, they are keeping both Robert and I quite busy.

Jingle Bells Our trip to Lake Oswego to celebrate Christmas with Tim, Kathy, Rylan, Brex, Sierra, and Kai was made snowstorm free and with very little rain driving up and back. Spending five days in a newly remodeled house was a special treat, a remodel that began in July was 95% completed just days before our

arrival. **The transformation is astounding!** Our annual family photo, which is usually taken at Thanksgiving, was taken in front of the new fireplace and the traditional annual photo of Rylan, Sierra, and Brex in front of the Christmas tree in the new family room.

Cool Celebration On a cold winter's day known as January 13th, a cool Rottweiler by the name of Kai who owns Tim, Kathy, Rylan, Brex, and Sierra, celebrated his second birthday! With all the snow that showed up on his birthday. I turned to Adobe Firefly to input text to come up with a fun image of Kai in a party hat enjoying his birthday cake in the snow.
