

FUN AT THE OCEAN

🌸 Last Monday, with all the warm, sunny weather we have had lately, it was a perfect opportunity to head to Limantour Beach for all four of us to enjoy the ocean. After two hours of romping in the sand and ocean, only stopping for a picnic on the beach, Brooklyn and Morgan were totally worn out. Us too!

🌸 The theme for this year's Gray PEAR Affair is "Pearys Invade Norway" and will be held the last weekend in July near Sedro Woolley hosted by Tristan and Nissa in their new home.

🌸 Asher, our second foster puppy, met his new owner, Steven, on February 24th. The word from Steven is Asher is doing great in his new home!

🌸 Right after Asher went to his new home, Kathy flew down for a few days, Not only did we enjoy her company, she made dinners plus she cleaned house for us—a huge bonus given we were quite behind and very worn out fostering 2 puppies.

🌸 On March 9th, we had the pleasure of watching Brex play soccer as goalie here in California! She and her team flew down for three days of games in Davis.
