

Napa Valley Dog Training Club Mural Half Finished!

Creating this mural is so exciting and fun! Everyone who sees it LOVES it. De Brilz and Sue de Mille, the two artists helping to paint it, have been so enthusiastic and dedicated! Once completed, there will be an Open House. More photos on NVDTC.org

Brooklyn Receives Breed!

Brooklyn and I just finished a fabulous show weekend adding five more points toward her Championship! Saturday she won Best of Winners for one point. Sunday she earned another four points by receiving Best of Winners and BEST OF BREED earning her FIRST major over three Grand Champions. (Two majors are required for a Championship.) Because she was Best of Breed she went into the Best of Show ring. I loved it when the announcer called out the name of each breed as they gaited through the ring and everyone applauded. I was so proud to be showing Brooklyn, as she gaited in front of everyone, as the best German Short-haired Pointer for the day. I am so jazzed!

Beautiful Ballerina

Sierra's dedication to ballet is so awesome and so admirable. Now in her third year, she recently performed in the Napa Regional Dance Company's Spring Recital. She looked absolutely stunning onstage as she gracefully performed to "Golden Pastels" with seven other ballerinas.

10 Years Old!

Aubrey's birthday party was really a special one! Kathy took Aubrey and six of her friends for a day in San Francisco. The girls did the Space Bus Escape Room and had dinner on the top of Macy's building and enjoyed Union Square. Robert and I celebrated her May 14th birthday two days early with family. We all enjoyed the strawberry cake she made!
