

Celebrating 50 years of marriage by going on a **NORWAY CRUISE!**

Eidfjord
Ålesund
Flåm
Bergen
Rotterdam
Oslo
Kristiansand
Stavanger
Skjolden

Of course we took a lot more photos than just this troll and this scene.

Our fiftieth wedding anniversary isn't until August 15th. However the weather is nicer in May and June. So off we headed on May 24th to spend two weeks on Holland America's Rotterdam cruise ship to celebrate being mar-

ried for fifty years.

Every port, all nine of them, had so much to see, experience, and learn about Norway. The views from our ship and while on excursions were awesome. On the ship, there was lots to keep us engaged: movies, shows, games, and of course lots of good food to eat. Being able to eat in the ship's main dining room or in nice restaurants every night was the best! We so enjoyed being treated like royalty on this cruise. **Cruises are the best!**

Destination Imagination

In May, Brex, Sierra, and their team, along with Kathy as their leader, headed to Kansas City for this year's DI global competition. There were 653 other teams from all over the world competing. Brex and Sierra's team took 8th place! Watch the video to see their reaction when this was announced **and** to see the incredible and amazing revolving stage their team created for the presentation they did.

Special Builds

Just before leaving for Norway, Robert built platforms to help owners & thier dogs become better with obedience training—a total of 11, all for our local dog club.

Thank you to Chris

There is really no gift we can give to Chris for how much we appreciate him taking care of Brooklyn and Morgan while we were in Norway. But we did come up with "something" for him: a shirt, bottle opener, and reindeer sausage.
