

Oregon & More

On June 13th, Robert and I flew to Oregon to spend a week with the Pines. What a week it was. Activities included: 1) A Dads and Grads party in honor of Robert, Tim, Dave, and grads Rylan and Aubrey, 2) A tour of the house Tim & Kathy just bought and are moving into this week, 3) Paddle boarding on Willamette River, and 4) Seeing Sierra in four numbers in Oregon Ballet Theater's annual performance. There was also board game playing, dining out, and a 4 mile hike in Tryon River Park (which bumps right up to the back of Tim and Kathy's new house).

Sierra came with us on our return to California. On our way we stopped in Reno to pick up Aubrey from a special camp. We then spent the night at Circus Circus. The girls had a blast playing Midway arcade and carnival games there. Aubrey also came back to California with us. Both girls will be going to a favorite camp of theirs this week, a trapeze camp just north of Sonoma. Special bonuses for both girls while here: pool fun, ice cream desserts and special shaped pancakes made by Grandma.
