

A Turn Around the Sun Like No Other

Kathy turned **50** on July 3rd and Rylan turned **20** on July 4th. A repeat of last year in that they

both spent their special day in the great outdoors on a three-day backpacking adventure.

Fun with Morgan

Lately, Barn Hunt and Dog Dancing classes along with agility classes has garnered a lot of attention for Morgan.

At left, Morgan is going nuts over the rat in the tube in her barn hunt class.

At lower left, Morgan and I recently completed level 2 in the classical freestyle division in the [Dogs Can Dance® DCD](#) summer challenge. Looking forward to a passing score from the judges (won't know score until the end of August) so we can move onto level 3 for a 2nd DCD title.

Fun with Trees

Robert goes electric with a new Ryobi chain saw. No more gas, no more pulling a start cord, no more climbing up a ladder with a running chain saw—AND plenty of power.

Meet Murray!

Murray is a Guide Dogs for the Blind puppy Sierra is training. He arrived on June 28th when he was just 8-weeks-old.

Murray and Kai are getting along super well. They are now best buddies.
