## Ribbons ~~~~ ~~~~Galore

After receiving ribbons for our last two routines for our Dogs Can Dance Championship, I decided it would be fun to have a picture of all of our ribbons from the 1st day we all started competing (along with their Championship trophy). Adobe Firefly AI did a great job of putting the picture together for me.

## Croatia/Bosnia

The end of June and early July, all five Pines traveled to Croatia and Bosnia for two weeks of site seeing and adventure.

Four Pines then returned to Lake Oswego having dropped Brex off in England to spend the rest of her summer vacation with Hayden's family.

AND, while abroad, Sierra and Tim both received their scuba diving certification!
