

## The Bali Experience

Kathy and BFF Nicole celebrated their 50th birthdays this year by going to Bali. They were part of a fun tour group all of whom were well-immersed in Bali culture. The

group enjoyed visiting small, rural villages, karaoke, weaving baskets, unique cooking lessons, monkeys, jewelry making, drum lessons and dressing in sweeping fuchsia-colored gowns to gracefully sail through the air on giant swings in the sky.

## And Now There are Three

Welcome to our two new family members, classic tabbies, Mollie and Murphy, born on July 1st. Both are settling in very nicely and slowly being introduced to Brooklyn, Morgan, & Kennedy. Brooklyn wants to mother them. Morgan is ignoring them. Kennedy doesn't have an opinion yet.

## 2025 Gray PEAR Affair

The theme for this year's Gray PEAR Affair family reunion was Pearsquatch and was hosted by Darcy and Julie Swavely with a total of 36 attendees.

This year's highlighted game was to put together popsicle stick puzzles to build a Pearsquatch face to come up with a random code to match to one of a bunch of prizes with the matching code.

The Gray PEAR Affair Photo Book I featured in my June newsletter was completed in time to share at the reunion. [Email me](#) for a link to the completed book which includes this year's group photo and a link to who is who.
