Wine Country Classic So happy to announce Brooklyn won 2 points toward her Championship taking Winners Bitch at the Wine Country Kennel Club show on November 12, 2017! This win meant Brooklyn and I were able to have a professional photo taken! Judge Mr. Murray (pictured) said Brooklyn is a nice looking girl and will go a long ways.

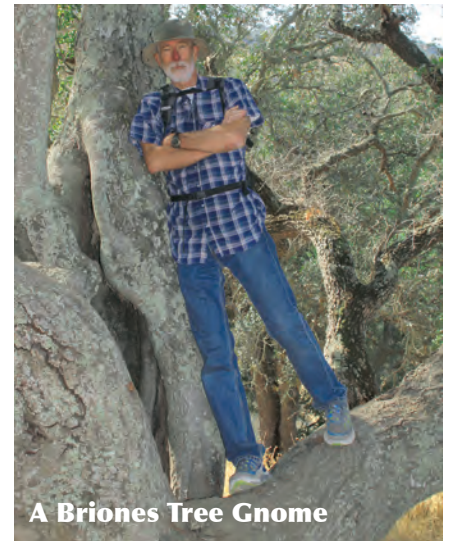

Rylan, Aubrey, and Sierra have all become quite the soccer players. We enjoyed watching each of them play their games over the last month. These action shots are from our zoom camera. I also took lots of video and posted all on my YouTube channel:

Briones Regional Park Day Hike

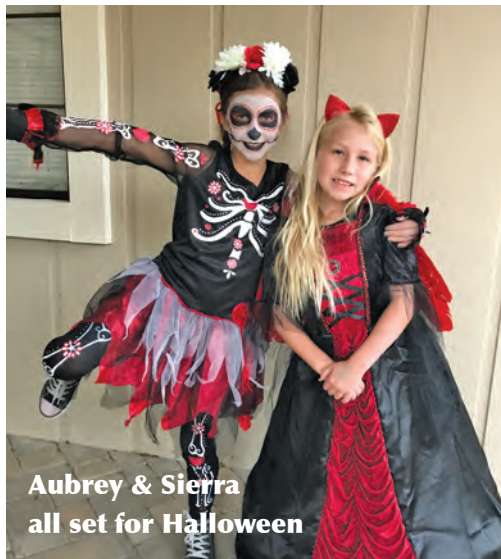

We heard Briones is a large 6,000+ acre park where dogs can run off leash. End of October Robert and I left the dogs home to check it out. We liked what we found and will be taking Brooklyn and Dakota there soon! Check out the uniquely marked squirrel we also found at this park!
