

Tree Time, Ski Time, Puzzle Time, Family Picture Time & Thanksgiving Thanks Time.

We are hosting Christmas this year. Not spending Christmas at home in 2020 & 2021, we didn't put up a Christmas tree. We really didn't have any in our field that would have worked anyway. Fortunately, in spite of the drought, we actually had a nice tall tree to bring into the house this year!

Robert really enjoys working puzzles. In order to have lots of room for family on Christmas, he has put away his puzzle table until after Christmas. Once Christmas is over, he will then set up our 4 x 8 craft table in the living room and start working on a 5,000 piece puzzle!

We enjoyed Thanksgiving hosted by the Lewis' especially with such a nice group of 18 of us! Good food, beautiful table settings, lots of games and group pictures taken. Thanksgiving is traditionally the time of year we take group photos. This year photos were taken outside on the Lewis' deck area. At least it wasn't too cold to do photos outside as it was in 2015!

A big thank you to Dave, Stacey, Ashley, Arya, and everyone for all they did to make Thanksgiving 2022 such a special, wonderful time!

The Pines, along with their Rottweiler, Kai, (now 10-months-old), will be arriving at our house December 24th. This week they are enjoying skiing and snow boarding with their friends, the Lims, in Mammoth. Left to right in the ski photo below: Brex, Kaya Lim, Sierra, and Rylan.
