

## MERRY CHRISTMAS and a Happy New Year!

### Now in Print!

My Mom's autobiography is now published and available for purchase to anyone who is interested in adding her book to their library! The book includes close to 200 short stories about her life in the 30s & 40s and an array of unique adventures throughout her life.

### Uncle Tom

I am sad to say a very special and favorite uncle of mine passed away on December 18th. Everyone who knew him loved him and how he was always the life of the party wherever he went.

### Another Two Barn Hunt Wins

Brooklyn has a new title. And MORE ribbons! She entered two novice level trails on December 2nd and qualified in both, earning her AKC RATN title. She took first place in one trial and second place in the other trial so won ribbons for those placements along with two qualifying ribbons and a rosette for the RATN title. She can now compete in the next level up to earn a RATO title. The "O" stands for "Open."

### A New Title for Morgan

Not for showing in conformation this time. This title is because she passed the Canine Good Citizen test 2 weeks ago!
